OFFICIAL PAPER OF THE CITY OF AKRON

TO TELEPHONE THE DEMOCRAT CALL  
No. 180.

WEDNESDAY, APRIL 4.

The Democrats of Cleveland ought  
to be ashamed of themselves.The report that Justice Jacob R.  
Campbell is thinking of citing the  
Hon. A. J. Rowley for contempt of  
court, is not well founded.It will be several weeks at least be-  
fore the partisan papers of Ohio de-  
cide which party had the best of it in  
the elections throughout the State.Anybody looking for a bargain in  
meat axes and other deadly instru-  
ments of cutlery can find the same  
by applying to the campaign commit-  
tees of both parties at the Falls.'Squire Thomas is another official  
whose confidence in the infallible judg-  
ment of the great American people is  
what the Hamilton county delegates  
badly shaken."Let Summit County's Probate Judge  
be Probate Judge, and Akron's City  
Commissioners be City Commis-  
sioners," is the handwriting that is written  
all over the returns of the Akron elec-  
tion Monday.It looks very much as if Councilman  
Fieberger will be the new president of  
the City Council. Mr. Fieberger is a  
man whom the Republican as well as  
Democratic Councilmen should take  
pleasure in voting for.Two years ago Councilman Carlton  
was elected to the Council from the  
First ward by a plurality of 442. Mr.  
Richard F. Palmer, the Democratic can-  
didate, reduced this plurality last Mon-  
day to 150. That's not so bad.Boss Cox found an infernal machine  
upon his front porch on the morning  
of election day, and the noise he made  
about it was something fearful. It is a  
pretty sure thing that the machine  
Cox found wasn't half as dangerous as  
the "infernal machine" bearing the  
Cox brand which his neighbors found  
upon their front porches the day after  
election.When the members of the General  
Assembly come back to the constitu-  
ents for re-election, the people ought  
to tell them to look to the trusts and  
the privileged interests for help. The  
people owe the General Assembly  
nothing. It has turned down every  
measure intended to benefit the peo-  
ple at the expense of the trusts or poli-  
ticians.Mr. A. J. Guth, the defeated candi-  
date for Councilman from the Third  
ward, criticizes Councilman Sorrick be-  
cause he did not keep quiet when the  
Dobson paper was misrepresenting  
Councilman Paul's position with refer-  
ence to the East Market street con-  
tracts. If Mr. Guth had been as fair  
about the matter as Mr. Sorrick, he  
would have been the next Councilman  
from the First ward.

## TIME!

It will require but a few  
minutes to convince you of the  
difference between Misfitted and  
Fitted Glasses, and of the great  
good that Dr. Tucker is doing in  
our community.

CALL UPON HIM.

130 South Main Street.

The New York World published a  
story from Washington yesterday to  
the effect that Admiral Dewey had fi-  
nally concluded to run for President,  
"if the people want him." The ques-  
tion from what party he would prefer  
to have the nomination was evaded as  
skillfully by the Admiral as he dodged  
the mines of Manila bay. The World's  
story reads like a pipe dream, and will  
doubtless prove to be so before many  
days have passed.It is within the power of the newly  
elected Council to so raise that honor-  
able body in public esteem that in  
future campaigns the people will not  
tolerate such abusive criticism of its  
members as was done in the campaign  
just ended. The office of Councilman  
should be one that could be accepted  
by any citizen, however high his  
standing in the community, without  
sacrificing any part of his dignity or  
self-respect. The new Council should  
demand, and it will receive, the full  
measure of courtesy and public regard  
that is its due.The Beacon has figured out, and  
mourns, accordingly, that 25 votes,  
properly distributed in two wards,  
would have given the Republican Ma-  
chine control of the Council. A few  
thousand votes, distributed among  
three or four close States, would have  
elected Mr. Bryan four years ago, but  
this close call did not stop the Republi-  
can party from claiming an over-  
whelming victory. It is worse than  
puerile to attempt to detract from  
the force of Monday's victory for the  
friends of the Democratic party by  
sighing about what might have been.The Democrat publishes an interest-  
ing letter today from Mr. A. G. Keck,  
one of the Akron soldiers who is serv-  
ing in the Philippines. The letter was  
written from the Island of Jolo, the  
home of that distinguished American  
citizen, Hadji Mohamad Womolol  
Kiram, the Sultan of Sulu. This letter  
from Mr. Keck, telling of the habits  
and customs of the natives of the  
Sulu Islands, in one of the most inter-  
esting the Democrat has yet published  
from the Philippines. The Sultan of  
Sulu is now drawing a \$12,000 pension  
from the American people for ac-  
knowledging the sovereignty of the  
United States.

## FOR PARIS

Will Three Akronians  
Leave Sunday.A. J. Friess Given a Farewell Party  
by Elsie Lothringer Society.Albert J. Friess, Julius Barth and  
Rudolph Hallauer, of this city, will  
leave Sunday for Paris, to visit the  
Exposition. Mr. Friess will also go  
to Germany to visit his native home in  
Alsace Lorraine, and the other mem-  
bers of the party will visit their old  
homes in Switzerland.On last Saturday evening the Elsie  
Lothringer society, of which Mr. Friess  
is president, gave a farewell party at  
American hall, in his honor. The  
event was well attended by members  
of the society and their families. Mu-  
sic and dancing were the principal  
features of amusement.Members of the society presented to  
Mr. Friess a fine gold-headed cane, and  
after the presentation speech by Mr.  
Koehler, the merry crowd danced  
around Mr. Friess, singing the songs  
of his native land.Mr. Barth, referred to above, has  
been a salesman in the cigar store of  
Wm. Wolf for 16 years. All members  
of the party are well known in this  
city.THE F. & W. R. Y. TRAIN EAST IS

## BACHTEL

Not a Candidate

For Re-election as Clubs'  
President.Akron Delegates Will At-  
tend State Convention.Dr. Reemelin May Succeed Mr.  
Bachtel.The Hamilton County Delegation Will  
Support Bryan.Mr. A. C. Bachtel, of Akron, presi-  
dent of the Ohio Association of Demo-  
cratic clubs, informed the Democrat  
today that he would not be a candidate  
for re-election as president of the As-  
sociation."I intend to retire in favor of the  
election of Dr. R. H. Reemelin, of Cin-  
cinnati," said Mr. Bachtel. "The first  
year of the Association of clubs has  
been successful far beyond expecta-  
tions. Charters have been issued to  
more than 175 clubs throughout the  
State, embracing a membership of up-  
wards of 10,000. The State Associa-  
tion has done good work in encour-  
aging the organization of new clubs  
and the building up of old ones. The  
new officers of the club will find an  
excellent basis upon which to work  
for the further upbuilding of the  
clubs."The annual convention of the Ohio  
Association of clubs will be held at  
Columbus on Thursday, April 12. It  
is expected that several hundred dele-  
gates will be there. President Bachtel  
has received a letter from the Commis-  
sioner of the Central Passenger As-  
sociation notifying him that a reduced  
rate of one and one-third of the  
regular fare will be offered to all dele-  
gates wishing to attend the conven-  
tion. The tickets can be purchased on  
April 10 or 11, and will be good re-  
turning from Columbus on the 13th.The Akron delegates, who were  
elected at the last meeting of the Ak-  
ron Democratic club to attend the con-  
vention are:Capt. O. C. Benner.  
Councilman John Merz.  
President A. C. Bachtel.  
Mayor W. E. Young.  
E. S. Harter.  
J. D. Campbell.  
John McBride.  
President Samuel G. Rogers.  
Ex-Councilman A. H. Myers.  
City Commissioner Dan McGarry.  
City Clerk Isbell.  
Councilman E. P. Sprigle.  
Louis Laumann.  
Chris Zimmer.The Young Men's Democratic club  
of Columbus is making great prepara-  
tions to entertain the delegates, hav-  
ing arranged for a banquet on the eve-  
ning of the convention, at which sev-  
eral speakers of note will be present.The following letter from Dr.  
Reemelin to President Bachtel will be of  
interest to the Democrats of Summit  
county, as it gives them a line upon  
what the Hamilton county delegation  
expects to do in the next State conven-  
tion to nominate State officers and se-  
lect delegates to the National Demo-  
cratic convention:Friend Bachtel: My dear sir: I  
feel repaid for all I have done for bi-  
metallism. Since writing, matters have  
changed front. The opposition to  
Mr. Bryan is disappearing like  
magic. I am continually congratulated  
on our splendid meeting here and the  
good it has done. We are quietly at  
work trying to get bimetallicists to go  
from Cincinnati to the National con-  
vention. Mr. H. Ketter, who intro-  
duced Bryan at the Cincinnati meet-  
ing, Music hall, Jan. 17, has hopes of  
being one of the four delegates from  
here. Louis Bernard will most likely  
appoint the delegates to the next State  
convention, and in turn will choose the  
four men to represent our two Con-  
gressional districts in the National  
convention.Mr. Bernard and his crew have, no  
doubt, come to the conclusion that  
nothing can stop Bryan's receiving the  
nomination by acclamation and expect  
to have the next State convention in-  
struct the delegation to vote as a  
unit for Mr. Bryan in the National  
convention. I am not a candidate to  
succeed you, but am a willing worker  
and would feel flattered should the  
next meeting of the Association of  
Democratic clubs choose me. I shall  
not seek it for I feel that our county  
is in disgrace.  
Mr. Bryan, while at my home, men-tioned old associations, and hoped that  
our organization would hold aloof  
from local quarrels and espouse Na-  
tional questions and measures.

DR. R. H. REEMELIN.

## THOUSANDS

Of Pictures on Exhibition—Annual  
Easter Sale.Six thousand pictures are on exhibi-  
tion at the Easter art sale, now being  
conducted by the Woman's Christian  
Temperance Union, in the room on E.  
Market st., next to E. Steinbacher's  
drug store.The display is an excellent one. Re-  
productions of the old masters are  
there in endless numbers. The work  
is first-class. Many sales were made  
Tuesday and Wednesday. The sale  
will continue up to and including Sat-  
urday evening. Those who desire to  
take advantage of the large assortment  
should pay a visit to the place at once  
as the demand for the pictures will  
soon reduce the display. The price of  
the pictures range from one cent to  
\$5.00.

will be gone a year or more.W. C. Brown and family have re-  
moved from Medina to this city.John Inman and S. C. Inman will

the coming summer.The family of John De Haven of

## FIEBERGER

May be President

Of the Newly Elected  
City Council.Mr. Sorrick Suggested  
For Vice President.Health and Library Board  
MembersWill be Chosen by the New  
Council.It is very likely that Councilman  
Fieberger, from the Third ward, will  
be elected president of the new Coun-  
cil by acclamation of the Democratic  
members.The Democrats may also vote to  
elect Councilman Sorrick, the Republi-  
can from the Second ward, vice pres-  
ident of the Council. This is a some-  
what unusual honor for a majority to  
confer upon the minority, but the Dem-  
ocrats in Council have a very kindly  
regard for Mr. Sorrick, even if he  
wasn't elected upon their ticket.Councilman Paul told the Democrat  
today that he favors the election of  
Mr. Fieberger to the Presidency, and  
Mr. Sorrick to the Vice Presidency.The old Council will meet at 6:45 on  
Monday evening, April 10, and after  
disposing of what little business re-  
mains upon the calendar, will adjourn  
sine die. The new Council will there-  
upon be called to order by the Mayor  
and will proceed to organize by elect-  
ing a President, Vice President, and  
City Clerk—the latter to hold his office  
for two years.The Councilmen who will retire from  
office two weeks hence are Mr. Carlton  
of the Second ward, Mr. Homan of  
the Third and Mr. Sprigle of the Fifth.  
The new Council, at its organization  
meeting, will also choose members  
of the Library and Health Board, a  
Poor Director and Assistant, and a  
Council Page.The terms of Messrs. A. H. Sargent  
and O. A. Lyon, Republican members  
of the Health Board, expire this year.  
Both will probably be re-elected if they  
want the honor. Those whose terms  
expire as members of the Library  
Board, are Mr. John Memmer and Ed-  
itor Louis Seybold.Poor Director Kendall will be re-  
elected.

## EXEMPTS

School Institutions

From Collateral Inheri-  
tance Tax.Bill to Pension Cleveland  
School TeachersReported Favorably by Senator  
Sieber.Legislature Had Session Last  
Evening.

(Special Correspondence.)

Columbus, April 4.—The Senate met  
last evening with a bare quorum and  
remained in session only a little more  
than an hour.Among the bills passed was that by  
Mr. Rankin of Clark, to exempt from  
the collateral inheritance tax chari-  
table institutions and other institutions  
of a purely public character. Senator  
Sieber secured the adoption of an  
amendment providing for the exemp-  
tion from the tax of all educational in-  
stitutions, thus doing away with the  
necessity of further action upon his  
bill to the same purpose.A bill by Mr. Rankin of Fayette, pro-  
viding for the regulation of the con-  
solidation of insurance companies and  
the reinsurance of risks, was passed.  
It provides that such cases shall be left  
to the decision of a commission con-  
sisting of the Governor, the attorney gen-  
eral and the state insurance commis-  
sioner and for the notification of the  
policy holders that the company plans  
the action in question.Senator Long's bill providing for the  
publication of intention to apply for  
remission of taxes was passed.Upon motion of Senator Sieber, Mr.  
Fieck's bill making liable to taxation  
in Ohio, any person who has resided  
in this state the greater part of the 12  
months preceding the appraisement  
was so amended as to exempt persons  
residing in this state for purely busi-  
ness reasons, whose property is regu-  
larly taxed elsewhere. The bill was de-  
feated, however, but the vote was re-  
considered and it will probably be  
passed today or tomorrow.Senator Sieber, as a select commit-  
tee of one, reported favorably Mr.  
Roberts' bill providing for the creation  
of a pension fund for the teachers of  
Cleveland.The House devoted its session to the  
introduction of bills, no one of which  
is of especial interest to the citizens of  
Summit county.

Local Plant.Planing Mill Will be Erected on  
Cherry Street.The plant of the Akron Stoneware  
company is being remodeled, prepara-  
tory to the manufacture of semi-porcel-  
lain ware.It is expected that the work will be  
completed within the next three  
months. William H. Bloor, of East  
Liverpool, has been engaged as general  
superintendent of the plant. He is an  
experienced man in this line of manu-  
facturing. A large force will be given  
employment at the works.Negotiations are pending for the  
purchase of the lot on Cherry st., for-  
merly occupied by the barn of A. D.  
Ellis. It is proposed to erect a planing  
mill on the property. A number of the  
men who were employed by the  
Thomas Building & Lumber company  
are interested in the project.

## CATARRH OF THE PELVIC ORGANS.

The Reason Why So Many Women Are Sick.

Mrs. Eliza Wilk, 10 Iron St., Akron, O.

Mrs. Eliza Wilk says: "I would be in  
my grave now if it had not been for your  
God-sent remedy, Per-na. Everybody  
says I am looking so much better. No  
doctor could help me as Per-na did. I  
was a broken-down woman. It is now  
seven years past that I was cured."Mrs. Sarah Gallitz of Linton, Ia., also  
writes: "I was suffering with the change  
of life. I had spells of flowing every  
two or three weeks, which would leave  
me nearly dead. I had given up hope of  
being cured, when I heard of Dr. Hart-  
man's remedies and began to use them.  
I am entirely cured, and give all the  
credit to Per-na."But comparatively few women who  
are suffering with pelvic catarrh know  
that this is the case. Their trouble  
is called dyspepsia, heart trouble, female  
weakness, weak lungs, nervous debility;  
indeed, almost the whole category of  
medical terms has been applied to ca-  
tarrh of some organ of the female  
anatomy. If these women could only  
realize that their trouble is probably ca-tarrh of the organs peculiar to women of  
pelvic organs, and cure themselves with  
Per-na, how much unnecessary suffering  
would be saved.Mrs. Karolina Suter, 2138 Vine street,  
Cincinnati, O., says: "Two years ago I  
fell on the ice. At first I did not think  
that I had hurt myself; but several  
months after I felt pains in the abdomen,  
and a little later my menses failed to  
appear. I wrote to you in regard to it,  
hearing that you cured female troubles,  
and followed your directions. I took  
Per-na and Man-a-lin. I now have  
the best of health."Mrs. Marie Hanson, of Nebull, Wis.,  
writes: "About two years ago I had dis-  
ease of the kid-  
neys and womb. I  
was in a weak,  
nervous condi-  
tion and began to  
have a dreadful  
palpitation of the  
heart. I was con-  
fined to the bed. I  
had given up all  
hope of ever being  
well again. I com-  
menced taking Per-na. I found relief when I  
had taken the first bottle. Now I have  
taken seven bottles of Per-na. I thank  
you for your advice and I am glad I can  
say that I am well now."Dr. Hartman has written a book  
especially for women. It treats of female  
catarrh in all its different phases and  
stages. It contains common sense talks  
on subjects which should interest every  
woman. A book will be sent free to any woman.  
Address Dr. Hartman, Columbus, O.Mary's school hall, under the direction  
of the Y. P. C. U.Over a year ago the Young People's  
Catholic Union was instituted, princi-  
pally through the efforts of Rev.  
Francis F. Moran. Its aim is to do lit-  
erary work, and last night's lecture  
was the initial one for the purpose of  
starting the studying of great pictures  
and statuary work. The lecture was  
given with stereopticon views, copies of  
great pictures painted in the 15th cen-  
tury. Although five centuries old, they  
express the same thought, that they  
would have at the time of their paint-ing. Masterpieces of Raphael, Da-  
Vinci, Murillo-Dele, Holman, Hunt  
and Rubens were shown. The pictures  
tended to cultivate good taste for good  
pieces of art.OCEAN TICKETS TO EUROPE AND
